LISTEN carefully. Repeat back what you think you have heard, using their own words

BELIEVE their report

REASSURE them that they were right to tell you, and are not to be blamed

DO NOT try to find out why things happened

EXPLAIN the steps you are now going to take

DO NOT promise to keep what they tell you secret / 'off the record'

RECORD - make a written record as soon as possible

REPORT IT, following your organisation's safeguarding reporting process as soon as you can
