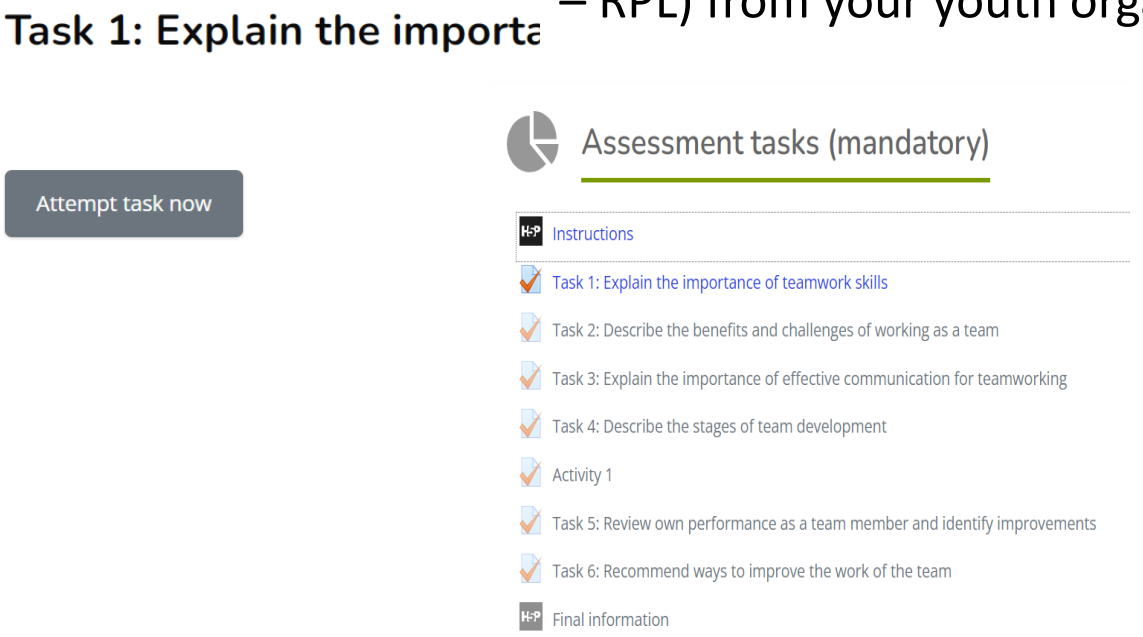
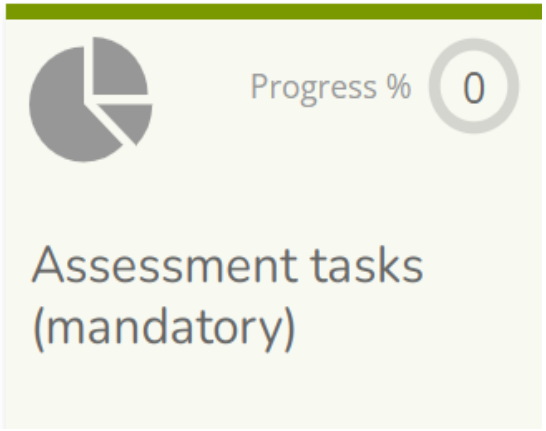
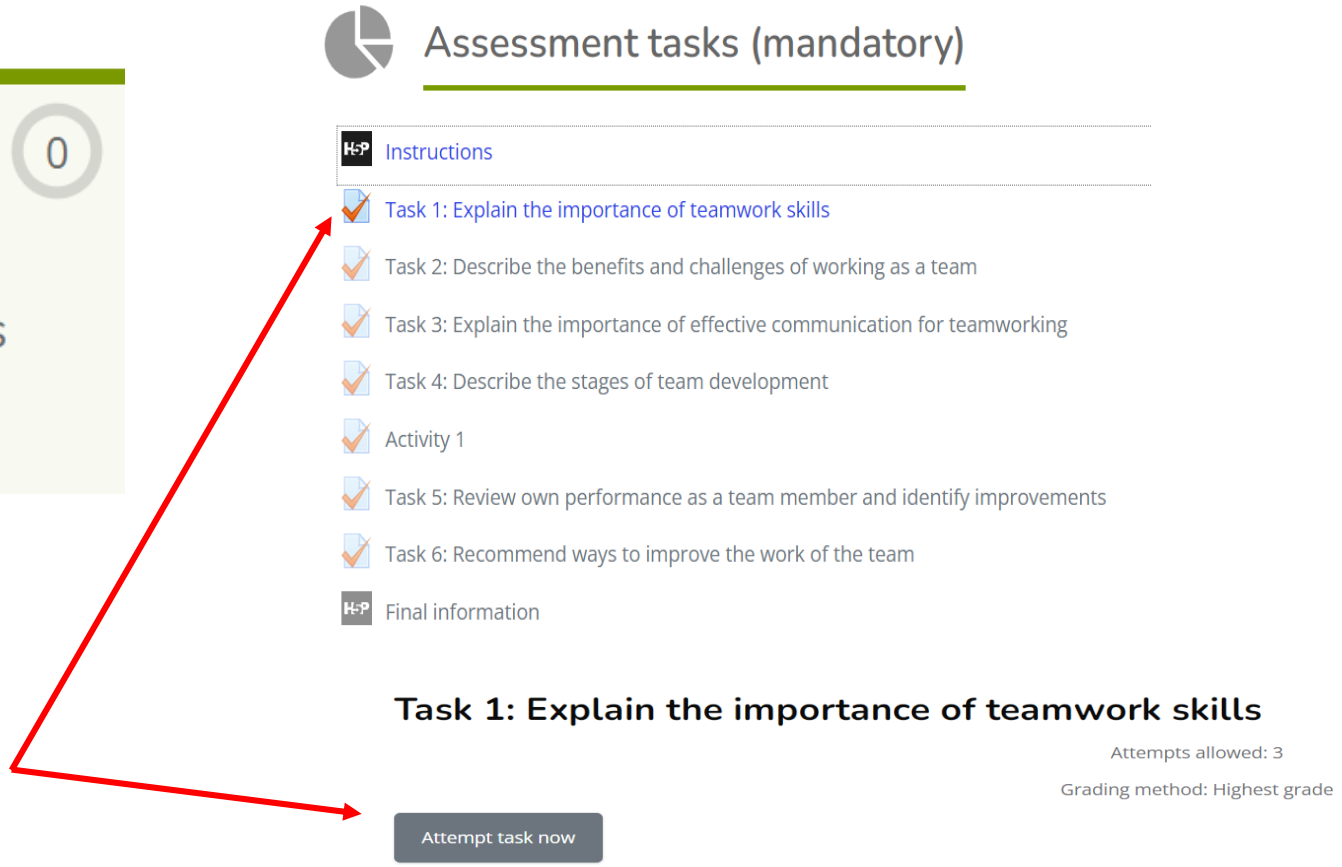
You may find as you go through the tasks particularly after Task 4 and move onto the Activity 1 part of Unit 1 assessment that it is already graded out as achieved this is because we will have been given your practical skills (Recognised Prior Learning – RPL) from your youth organisation.

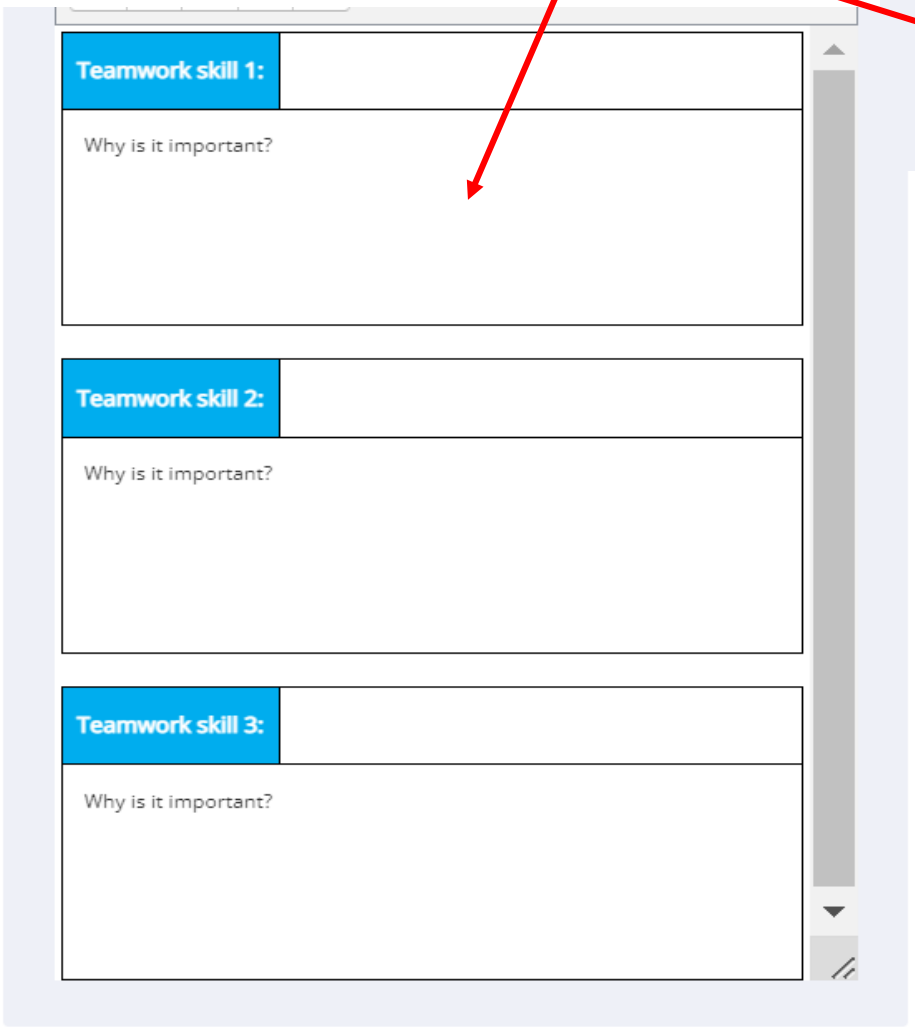


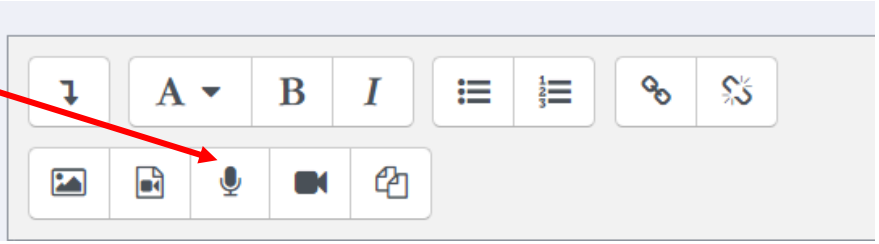




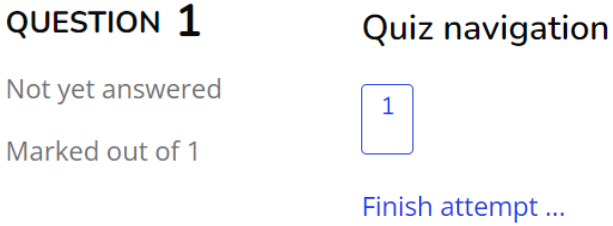
As you launch ‘Task 1’ you will be taken into a new screen, you will see there is a greyed out button **‘Attempt task now’** click this and you will be taken into the screen to complete the written answers for Task 1. Remember to read the question carefully and write in full sentences for the ‘describe’ and ‘explain’ criteria.

By clicking the ‘Attempt task now’ button you will be taken into a new screen, you will need to scroll down this screen to keep reading all of the question and write you answers in the table answer style boxes or voice record you answers using the record audio option.

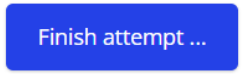




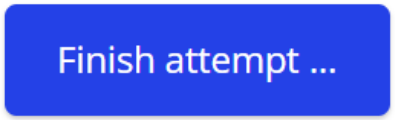
Tip: Make a note of how many Quiz navigation boxes you have to complete some tasks have two full questions to answer.

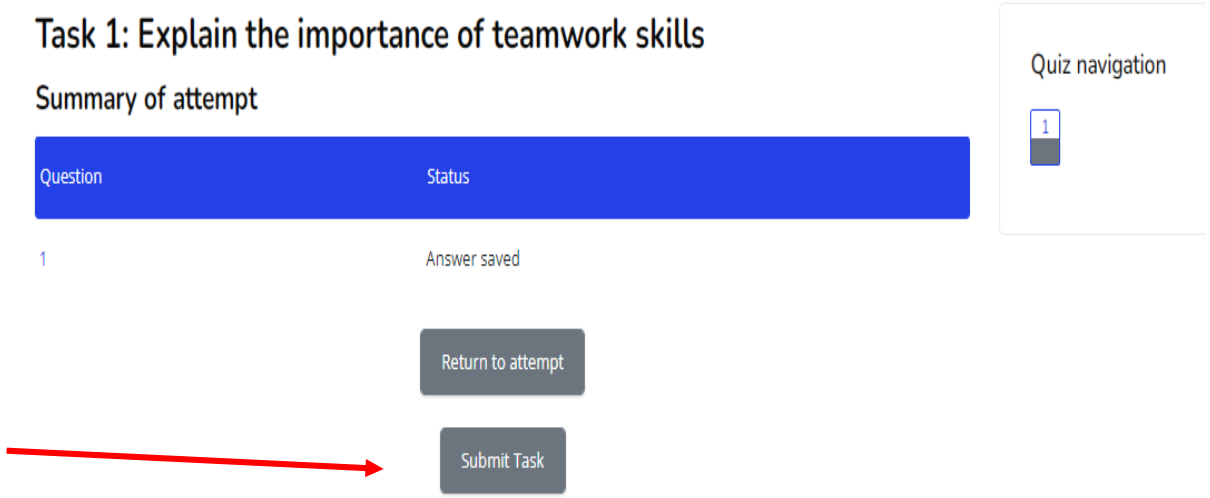


When you have finished the task you will need to click on the ‘Finish Attempt’ button.



When you have clicked on the **‘Finish attempt’** button you will see the below screen confirming your attempt and will need to click on the **‘Submit Task’** button.





You will receive a confirmation window. Please click on the **‘Submit Task’** button. If you wish to make any changes to your answers you can use the ‘Cancel’ button and go back into your task answers and change them.
