# Fonts

The Cadet Vocational College brand uses the following font families.

**First:**

These fonts are often used for campaigns and promotional materials. Verveine is used as a contrasting font when paired with Gill Sans Nova or Articulat CF.

**Second:**

Calibri is used in places where there is large body copy. For example, workbooks, formal letters, PowerPoints and forms. Calibri is an accessible font and in most cases will already be installed on systems and devices.
